

ANGELS IN ACTION

What is Angels In Action?

Angels In Action is a non-profit program for GFPS families who are facing a crisis. This program will provide employees a modest donation to help off-set the cost of expenses experienced because of the crisis. Examples could include expenses due to a fire of a home, expenses due to a medical emergency, or other unforeseen and unavoidable crises the employee might be facing. This program is designed to temporarily help an employee in a time of crisis, not to alleviate financial mismanagement issues.

How does Angels In Action work?

Angels In Action is completely funded through donation from GFPS employees and individuals, businesses and volunteers who wish to contribute. The amount of money available for the program on an annual basis will be completely determined by the financial support from employees, volunteers and other donations. There will be an annual GFPS Community Giving Campaign held in the Spring, but employees, volunteers and community members can donate to this program through voluntary contributions at any time throughout the year. Employees can apply for emergency funds. All applications are reviewed and approved through the Angels In Action Committee.

Who is eligible to receive a donation from the Angels In Action program?

Employees who have completed their 120 day probationary period and currently work for Great Falls Public Schools are eligible to receive a donation; pending Angels In Action Committee approval.

How can I donate to Angels In Action?

Employees may donate to this program by sending their donations directly to the Great Falls Public School Foundation, with notice their donation is for the Angels In Action program. There will also be an annual GFPS Community Giving Campaign held in the Spring, but employees, volunteers and community members can donate to this program through voluntary contributions at any time throughout the year.

If I am going through a crisis, how can I apply for a donation from Angels In Action?

You can download the Angels In Action Application Form from the Human Resources website. Go to www.gfps.k12.mt.us, under Human Resources and Other Information & Links. The Angels In Action Application Form is on this page. Please download it, complete it and send it to “HR Department – Angels In Action”.

What happens once my application is received?

The application is reviewed by the Angels In Action Committee. The Committee will review each request for assistance on a case-by-case basis and the decision will be based on information provided in the written request and other information the Committee may request. All decisions made by the Committee are final. Eligibility for assistance is once within a calendar year, and will be awarded up to \$250 per employee, per calendar year.
