Scholarship Application

The **STEAM Expo Scholarship** has been established to assist two GFPS high school students (at least 1 female) who will go on to attend a program in one of the STEAM focus areas, or use for dual credit in one of the STEAM focus areas.

The \$500 scholarship may be applied to tuition, purchase of books, application fees, or testing fees at any school (trade, technical, university, or dual credit). This scholarship may also be applied to high school dual credit costs.

Scholarship Qualifications:

1. Applicant must be a GFPS high school student.
2. Applicant must participate in the STEAM Expo the year in which they apply.
3. Applicant must be planning to enter a STEAM field after graduation, or planning to participate in a dual credit STEAM related high school class.
4. Applicant must *list* two references, including contact information, with at least one being a teacher.
5. Applicant must have an overall GPA of 2.5 or higher.

All students that submit a project and a scholarship application will be identified prior to the STEAM Expo. Each project will be judged 4 total times- 2 times electronically by our random selection of judges, 1 time by a GFPS administrator/teacher, and 1 time by a member of the Junior League. The top 4 project participants will be notified and interviewed by a team of STEAM committee members, GFPS administrators, and Junior League members in the week following the Expo.
