

## Science, Technology, Engineering, Art, Mathematics

### Scholarship Application

The **STEAM Expo Scholarship** has been established to assist two GFPS high school students (at least 1 female) who will go on to attend a program in one of the STEAM focus areas, or use for dual credit in one of the STEAM focus areas.

The \$500 scholarship may be applied to tuition, purchase of books, application fees, or testing fees at any school (trade, technical, university, or dual credit). This scholarship may also be applied to high school dual credit costs.

#### Scholarship Qualifications:

1. Applicant must be a GFPS high school student.
2. Applicant must present a project at the STEAM Expo the year in which they apply.
3. Applicant must be planning to enter a STEAM field after graduation, or planning to participate in a dual credit STEAM related high school class.
4. Applicant must *list* two references, including contact information, with at least one being a teacher.
5. Applicant must have an overall GPA of 2.5 or higher.
6. If two or more applicants present on the same project, then the applicants will split one \$500 scholarship.

**All students who submit a project and a scholarship application will be identified prior to the STEAM Expo. Each project will be judged four times- twice by members of the junior league and twice by a GFPS administrator/teacher. The scholarship recipients will be notified at the end of the STEAM Expo.**

**Application Due: Friday, March 16, 2018**

Send completed applications to:

Cramer Caouette – STEAM Scholarship

Paris Gibson Education Center
